

## THE NATIONAL ASSOCIATION OF PREMIER LENDERS (NAPL) LAUNCHES WEBSITE

The National Association of Premier Lenders (NAPL) is excited to announce the public release of our website, [www.napl504.org](http://www.napl504.org) which will provide a closer look at the philosophy of our organization. NAPL has placed an emphasis on assisting the Certified Development Company (CDC) industry and the small business communities across the country through premier lending practices of the SBA 504 loan program. NAPL is currently deeply involved in the support of HR 2527, the Small Business Assistance in Debt Bill, as well as the Pilot Recovery Program which was created by the SBA and REsource Capital to assist viable small businesses heading toward foreclosure and to assist SBA with overall recovery. We encourage you to explore our website and contact us with any questions you may have regarding NAPL, our efforts or the SBA 504 loan program.
